Guest Protocol Guidelines

Review the list of desired occupations and professions generated at each meeting.

Review your contacts and people you meet for prospective guests.

Guests are welcome. Members are encouraged to invite a guest or multiple guests to a BNT meeting.

Guest may attend three meetings as a guest. Thereafter, if the person wishes to continue attending meetings, a membership application and fee will be expected.

Send an email to the guest, with a copy to Jonathan Robbins (jonathan@jdrchartered.com) and Randall Wong (randall.v.wong@gmail.com), providing the guest with information about BNT, inviting the guest to a meeting (include date and suggest arrival at 7:20 am). Advise the guest to inform you if they will be unable to attend.

Email Jonathan Robbins and Randall Wong the contact info for the guest, including name, company name, phone number and email.

Be present at the meeting to greet and introduce your guest.

Follow up with the guest after the meeting to determine perception of benefit and interest in joining as a member.
