

Bethesda Networking Trust

The Bethesda Networking Trust (BNT) is a group of dedicated, outgoing, professional and harmonious entrepreneurs with the common goal of sharing and acquiring introductions to prospective clients and customers, as well as discussing innovations and best practices in business conduct and marketing.

BNT meets the 2nd and 4th Wednesdays of each month from 7:30 to 9:00 AM in the spacious lower level conference room at 13010 Boswell Court, Potomac, MD 20854, the location of the home and offices of Jonathan D. Robbins, founder of BNT. Please park on the side of the street adjacent to the house.

BNT seeks as members, individuals (or employees of companies) whose occupation or profession is not in conflict with that of an existing member. Introductions and referrals are encouraged, but not required.

At each meeting, members are afforded an opportunity to describe their business and the introductions to prospective customers or clients they may seek. Throughout the year, members are given an opportunity to do a longer (typically 10-15 minute) presentation about their business.

Refreshments are provided.

Membership is currently a very modest \$150 per year.

Those interested in learning more about BNT are encouraged to visit the BNT website at www.BNTMD.com.
